RECOMMENDATION:

It is requested that the City Council:

2. Consider adopting Resolution No. 2015-, approving abatement of weeds, accumulation of rubbish and/or refuse upon specified private property parcels to be public nuisances by the City Public Works Division, and;

BACKGROUND:

At the regular meeting of May 5, 2015, the City Council approved Resolution No. 2015-45 declaring growing weeds, rubbish and/or refuse accumulations upon certain specified private property parcels to be public nuisances, and approving a "Notice to Abate" such nuisances.

During the period of May 6 through May 17, 2015, the City's Fire Department re-inspected the properties on the non-compliance list.

A second notice was mailed by the Fire Department via first class regular mail to eleven (11) property owners still out of compliance on May 18, 2018.

ANALYSIS:

The affected property owners have the opportunity to voice their objections to abate the weeds and be given due consideration by the City Council.

The City's Fire Department conducted the third inspection during the week of May 25, 2015 and mailed certified registered letters to the affected property owners on June 2, 2015.

The Fire Department will coordinate with City Public Works Division to abate weeds, rubbish, etc., on June 17, 2015 if needed. As of this date, there is one (1) private property that still need to comply with the weed abatement requirements (“**EXHIBIT A**”). This property may be foreclosure and code enforcement will be assisting.

If a property is cleared by City Public Works, a Public Hearing Notice to confirm the assessment of costs to abate will be mailed certified, registered to affected property owners on Wednesday, June 24, 2015, and brought to the City Council Meeting to be held on Tuesday, July 7, 2015, at 6:30 P.M. to confirm assessments.

The City is required to submit a Resolution to be adopted July 21, 2015 confirming any abatement costs to the Monterey County Assessor’s Office before August 1, 2015 to levy cost to property owner(s) for 2014-15 tax year.

FISCAL IMPACT:

None

CONCLUSION:

This request is submitted for City Council consideration and possible action.

Respectfully submitted,

Doug McCoun
