2nd Quarter in Review

In October, the MCCVB worked with the Monterey Regional Airport to install new and update existing MCCVB - branded signage. The new creative presents a cohesive branding and welcoming experience, and reinforces the Grab Life by The Moments brand campaign. It also encourages visitors to go to SeeMonterey.com website to get more information on Monterey County attractions and activities. Several images were installed throughout the airport, including the ticketing, arrival and baggage claim areas.

In the second quarter, the Tour and Travel team welcomed seven FAMs to Monterey County bringing 60 tour operators, airlines, travel agents and media outlets from the US, China, Australia, UK, and Scandinavia. The travel trade FAMs were organized to support the launch of new airlift into California gateways/cities from United Airlines, Hainan Airlines and Turkish Airways.

Lastly, our Visitor Services team has been working with the Old Fisherman's Wharf Association to welcome the Cruise Ships docking in Monterey in the summer and fall. The Visitor Services team worked to spread thousands of visitors around Monterey County. In the first half of the fiscal year, the team welcomed 5 cruise ships and assisted 3,700 passengers with recommendations to explore all of Monterey County.

Cheryl Crabtree (Fodor's, Freelance), Allison DiLiegro (Indagare, Travel Specialist), Bridget Graham (Malibu Times Magazine), Siobhan Higgins (LAX Magazine) and Morgan Tilton (Elevation Outdoors Magazine) all enjoyed five days exploring the far parts of the Monterey region. In Marina, the group had a relaxing beachside experience while staying at The Sanctuary Beach Resort for two days. On day one Kula Ranch catered an ocean-side dinner during sunset that everybody raved about. Coverage from this FAM is scheduled to hit winter/spring of 2016.

Reasons to Visit Monterey This Winter

Posted on November 3, 2015 at 3:09AM

If you are looking to enjoy the holidays without having to shovel snow then winter in Monterey is the season for you! It's always a great time to experience the bounty Monterey has to offer but the winter months bring some of our best weather without the crowds. From whales and sea otters in the Pacific to the hiking trails in the Salinas Valley, there are plenty of activities to do that don't include having to pack your ski jacket!

Festive Events

There are over a dozen holiday happenings (<http://www.seemonterey.com/events/holiday-events/>) packed between late November and early December that evoke the warm and fuzzy feelings this season was meant to engender. Find your holiday cheer at the Cannery Row Holiday Tree Lighting (<http://www.seemonterey.com/events/detail/cannery-row-tree-lighting-ceremony/3853/>) on November 27 or the Salinas Parade of Lights (<http://www.seemonterey.com/events/detail/salinas-holiday-parade-of-lights/3854/>) on November 29.

Kick off 2015 on the right foot with at the Rio Grill Resolution Run (<http://www.seemonterey.com/events/detail/rio-grills-resolution-run/3862/>) bright and early on January 1.

No Snow!

Need we say more? The air may be cool and crisp but it rarely dips below 45 degrees on the Monterey Peninsula, which is the perfect weather to tackle that hike (<http://www.seemonterey.com/things-to-do/outdoors/topten-hikes/>) you have been putting off. Fog is not usually an issue in the winter months and it's often our sunnier time of year.

Fireplaces with a View

Cozy up next to someone special and enjoy a winter night snuggling by the fire. Whether you're looking for a scenic view, a people-watching view or a view made for two, you'll find the perfect fireplace (<http://www.seemonterey.com/things-to-do/attractions/best-fireplaces/>) just for you.

Score seats at one of the fire pits on the upper deck of Kula Ranch Island Grill (<http://www.seemonterey.com/listings/Kula-Ranch-Island-Steakhouse/2067/>) for a great view of Marina State Beach (<http://www.seemonterey.com/things-to-do/beaches/marina/>) where you can often watch hang gliders take to the air or simply soak in the sunset over the ocean.

For a more intimate take book a room at the Spindrift Inn (<http://www.seemonterey.com/listings/Spindrift-Inn/472/>) on Cannery Row (<http://www.seemonterey.com/regions/monterey/cannery-row/>) where several rooms come with their very own crackling wood fire and an ocean view. Click here (<http://www.seemonterey.com/things-to-do/attractions/best-fireplaces/>) for a full list of the "Best Fireplaces with a View."

Warm Up with a Steamy Beverage

Several restaurants and cafés in Monterey County hope to warm you up from the inside out with one of their cozy concoctions ranging from Mexican coffee, hot cocoa to traditional Irish coffee.

Sip in the legendary views of the Big Sur (<http://www.seemonterey.com/regions/big-sur/>) coastline at Nepenthe (<http://www.seemonterey.com/listings/Nepenthe-Cafe-Kevah/2034/>) where they brew up a legion of coffee drinks, the highlight of which is without a doubt the Keoki Coffee, made with specialty coffee, Kahlua, Crème de Cacao and brandy.

Indulge in luxury and a liquor libation at The Inn at Spanish Bay (<http://www.seemonterey.com/listings/The-Inn-at-Spanish-Bay-/1969/>). Sit by the fire pits on the patio to admire the surf, the bagpiper and the sunset, or snuggle inside on overstuffed chairs by the fireplace. Every hot drink is done to perfection, from the traditional Irish coffee to the less traditional Nutty Scotsman to the utterly decadent (and delicious) Chocolate Raspberry Nutty Truffle, a must for every chocolate lover. Click here (<http://www.seemonterey.com/food-wine/features/hot-drink/>) to view "Top 10 Places to Grab a Hot Drink."

Winter Whale Sightings

Monterey Bay is unique in that you can catch a whale watching tour (<http://www.seemonterey.com/things-to-do/animals-and-wildlife/whale-watching/>) just about every day of the year. Winter is especially a prime time to catch the action on the bay as gray whales begin their migration north and start appearing in the Monterey Bay region in the beginning of December. You'll even have the opportunity to see the usual

Staff report presented by Megan Jones, Rincon Consulting and Theresa Szymanis

Council Questions/Comments:

Present width of San Pablo traffic wise (no sidewalks); covered parking spaces, guest parking, visitor parking markings; Fire Department review and comfortable with San Pablo Ct access; what was done differently for this project that wasn't with the usual realm of development tasks; sidewalk spacing of 4ft. vs. 5ft. widths; legal way of modifying the 30ft. width right-of-way on Marina Drive; parking on west side; no parking signs; cost of project for Downtown Vitalization; revised landscaping pallet to include more natives both in the tree category and other categories; trash enclosure sizing; street striping to define travel lanes, legal minimum for travel lane width; Monterey Cypress choice and location of trees; Specific Plan requirements vs. General Plan/Municipal Code requirements; zoning requirement FAR for the project; perc pond pocket site maintenance; reasons to deviate from required parking spaces on this project.

Mayor opened the public hearing for public comments:

- Dusan Tatomirovic, President Home Owners Association for 189 San Pablo Ct – Development at Marina Drive will directly impact Marina Drive and San Pablo Court, 25 existing single family homes and townhouses along San Pablo already. Proposed development will double the number of units in that area. The width of Marina Drive at San Pablo Court is 17 feet. Marina Drive is prone to flooding, showed short video of Marina Drive flooding on Jan 22nd, concerned about future flooding. Requirement for Marina Dr. type is to be 11½ feet per direction plus parking space and sidewalks. None of that is possible in the current configuration unless the city's planning on redeveloping that entire section of Marina Dr. to satisfy that. None of that is possible. San Pablo Ct. at the point that was addressed earlier is only 14 feet. The only way to actually widen San Pablo Ct. would be take the space away from the property across the street from the new development in order to widen the street to get to 30 feet. Commented on the tight parking on Marina Dr. during school activities. Asked Council to not allow the zoning changes, not allow the

requested changes to the general plan use, and not to approve the project as it's presented to the city.

- Mike Owen – can't see how this is not a positive improvement for the city of marina when you look at what's there and what's proposed. See's it's a big improvement and supports it almost 100%. Recommends that along with your 65% of native specific plan requirement that you council might give direction to also add a requirement prohibiting state listed invasive plants; sidewalks, not practical where a person is going to walk all the way down to Palm Ave and then cross over when they can just straight across to the railroad tracks. Commented on the old perc pond fencing behind the proposed project. Commented on the Lift Station as sore thumb. Cypress Trees by the school have been artificially trimmed, agrees replace the trees with California Oaks would be less intrusive.
- Alex Vasquez – thinks this is a great project, but it's too big. There are 6 existing unit there that they're going to doctor up to match the new. Commented on the cost of renting the new units would require two incomes and that usually mean two drivers driving somewhere and that means two cars totaling 48 parking spaces. It's too big, great project. You have kids playing in that area and when there is soccer the cars park along Marina Dr. as well, leaving one way in or out.
- Rebecca McCallon – Thinks project is to big as well. How much of the property is on, by the railroad tracks, that's not Marina's property? That's a very narrow road, two cars cannot pass safely. Commented on the extra parking that will take place along Marina Dr. . Questioned if the current residents have an opinion about the extra traffic and trash associated with this? Too big for such a small place. Coming out of Marina Dr. on to Palm, it's a very busy intersection just to get to the light, especially when the light is red.

Mayor closed public comment period

AMADEO/DELGADO: TO ADOPT RESOLUTION NO. 2016-, APPROVING THE MITIGATED NEGATIVE DECLARATION OF ENVIRONMENTAL IMPACT AND THE ASSOCIATED MITIGATION MONITORING AND REPORTING PROGRAM (MMRP) FOR DEMOLITION OF AN EXISTING SINGLE FAMILY DWELLING AND DUPLEX AND CONSTRUCTION OF SIXTEEN (16) NEW TOWNHOMES AND TWO (2) APARTMENTS ON A ±0.8 ACRE PROJECT SITE LOCATED AT 3033-3039 MARINA DRIVE (APN 033-171-002); RESOLUTION NO. 2016- , APPROVING GENERAL PLAN LAND USE MAP AMENDMENT GP 2014-01 TO CHANGE THE LAND USE DESIGNATION FROM “SINGLE FAMILY RESIDENTIAL” TO “MULTI-FAMILY RESIDENTIAL” FOR A ±0.8 ACRE PROJECT SITE LOCATED AT 3033-3039 MARINA DRIVE (APN 033-171-002); INTRODUCING ORDINANCE NO. 2016- , APPROVING ZONING MAP AMENDMENT ZM 2014-01 TO CHANGE THE ZONING DISTRICT FROM “MULTIPLE FAMILY RESIDENTIAL (R-4)” TO “SPECIFIC PLAN (SP)” FOR A ±0.8 ACRE PROJECT SITE LOCATED AT 3033-3039 MARINA DRIVE (APN 033-171-002); RESOLUTION NO. 2016- , APPROVING SPECIFIC PLAN SP 2014-01, INCLUDING SITE AND ARCHITECTURAL DESIGN REVIEW DR 2014-01 FOR THE SITE PLAN, BUILDING ELEVATIONS, CONCEPTUAL LANDSCAPE PLAN, AND COLORS AND MATERIALS FOR DEMOLITION OF AN EXISTING SINGLE FAMILY DWELLING AND DUPLEX AND CONSTRUCTION OF SIXTEEN (16) NEW TOWNHOMES AND TWO (2) APARTMENTS, AND TREE REMOVAL PERMIT TP 2014-01 FOR THE REMOVAL OF SEVEN (7) TREES ON A ±0.8 ACRE PROJECT SITE LOCATED AT 3033-3039 MARINA DRIVE (APN 033-171-002), SUBJECT TO CONDITIONS; RESOLUTION NO. 2016- , APPROVING AN AFFORDABLE HOUSING PLAN AND AN AFFORDABLE HOUSING AGREEMENT. 2-3(Brown, Morton, O'Connell)-0-0 Motion Fails

BROWN/DELGADO: TO RECONSIDER VOTE. 5-0-0-0 Motion Passes

Council discussed the reasoning for the reconsidering of the vote.

Is San Pablo Court going to be widened from what it is today and can emergency vehicles currently access San Pablo Ct.? What is the current width of San Pablo Ct.? Would the situation be worse or improved by the improvements that would be instituted through this project? How much width is needed for emergency vehicles standards? What kind of information does the Fire Chief need before you weighing in on whether this is acceptable? Concerns with access on both San Pablo and Marina Drive and the safety of the people. Suggested that this item be continued for 2 weeks so that answers to council's questions can be clearly addressed.

MORTON/AMADEO: TO CONTINUE THIS ITEM UNTIL MARCH 1, 2016. 5-0-0-0 Motion Passes

Public Comments:

- Mike Owen – Support the motion and I think the extremely high regard that you all have and former chief Kelley's professionalism, dedication, expertise will be borne out with a positive vote when this is considered again.
- Dusan Tatomirovic – Thanked council for considering this alternate motion because this is a very serious issue that needs to be addressed on many levels. As we've heard tonight the rest of Marina Drive will come in for potentially reconstruction further down the road.
- Alex Vasquez – Thank you for reconsidering this and getting some more facts. This got changed in 2000 and because the city is growing I think that whoever was up here (on dais) looked at the whole thing and said "hmm we have to make a change because this could possibly happen", so I think they changed the zoning to single family to avoid this because of all these issues, because of the street, because of the in and out. If you're going to consider this I think we have to look at again the size.
- Rebecca McCallon – Thank you for reconsidering this. When you're reconsidering this also consider what would be the exception to this apartment building to all the others in Marina? If you drive around Marina our streets are actually parking lots. Why would this one be any different?
