Item No. **8f(1)**

Honorable Mayor and Members
of the Marina City Council

City Council Meeting
of June 21, 2016

**CITY COUNCIL CONSIDER ADOPTING RESOLUTION NO. 2016-,
AUTHORIZING SUBMITTAL OF APPLICATION TO CALRECYCLE
FOR PAYMENT PROGRAMS AND RELATED AUTHORIZATIONS**

REQUEST:

It is requested that the City Council consider:

1. Adopting Resolution No. 2016-, submittal of application for payment programs and related authorizations.

BACKGROUND:

Public Resources Code section 48000 et seq. the Department of Resources Recycling and Recovery (CalRecycle) has established various payment programs to make payments to qualifying jurisdictions; in furtherance of this authority CalRecycle is required to establish procedures governing the administration of the payment programs.

The goal of CalRecycle's beverage container recycling program is to reach and maintain an 80 percent recycling rate for all California Refund Value (CRV) beverage containers - aluminum, glass, plastic and bi-metal. Projects implemented by cities and counties will assist in reaching and maintaining this goal.

CalRecycle's procedures for administering payment programs require, among other things, an applicant's governing body to declare by resolution certain authorizations related to the administration of the payment program

Pursuant to Section 14581(a)(3)(C) of the Public Resources Code (PRC), these funds **shall not be used for activities unrelated to beverage container recycling or litter reduction.**

ANALYSIS:

Incorporated cities and counties in California, as identified by the California Department of Finance, are eligible to receive funding under the CCPP, unless otherwise determined by CalRecycle.

Each city is eligible to receive a minimum of \$5,000, or an amount calculated by CalRecycle, on a per capita basis, whichever is greater. Each county is eligible to receive a minimum of \$10,000 or an amount calculated by CalRecycle, on a per capita basis, whichever is greater. The per capita amount is calculated, based upon the population as of January 1, 2014, in the incorporated areas of a city, city and county, or the unincorporated area of a county, as stated in the annual *Population and Housing Estimates for Cities, Counties and the State* Report submitted to the City/County Payment Program, FY 2014–15 2 governor by the California Department of Finance.

In order to expedite the application submittal process, it is requested that the City Manager or his designee be authorized to submit such applications on behalf of the City indefinitely or until rescinded by the Signature Authority or this Governing Body..

FISCAL IMPACT:

There is no fiscal impact to the General Fund. The proposed action would enable submitting the application of grant applications in a timely manner. Furthermore, if the pending application with

CalRecycle is approved, it would generate approximately \$5,000 annually to be used for activities related to beverage container recycling or litter reduction.

CONCLUSION:

This request is submitted for City Council consideration and possible action

Respectfully submitted,

Layne Long
City Manager
City of Marina
